45	Southside Water and Sewer	14	CRO	\$25,000	Storage tank at risk for failing and address growth

*Note: Projects with an asterisk in the "Rank" column are carried over from fiscal year's 2008 list. These communities had began the loan process during fiscal year 2008; however, the loan process was not completed during the same fiscal year and so the projects were carried forward. The number following the asterisk is the entity's ranking on the FY 2009 Priority List.

WARNING: USE OF THIS LIST AS A MAILING LIST OR AS A TELEPHONE NUMBER LIST IS PROHIBITED BY IDAHO CODE SECTION 9-348 AND IS PUNISHABLE BY A CIVIL PENALTY OF UP TO 1,000.
